

Tee-Up New England! 2023

This initiative will provide golfers with an opportunity to play some of their favorite courses while providing funding for turfgrass research. Interested golfers will participate in an online auction (April 10-17, 2023), linked to your website, to purchase a donated round of golf for 4 people w/carts. This is a great way to showcase your facility and to open your door to attract new players. All proceeds will go to the New England Regional Turfgrass Research Trust (NERTRT) or to the UMass Alumni Turf Group (ATG) to fund turf research here in New England. Research will help to insure that future turf conditions will be at the highest and most environmentally sensitive levels in the Turf Industry and of the Game of Golf.

Tee-Up New England!

A Turfgrass Research Initiative sponsored by the NERTRT, ATG and supported by State Golf Associations

Help Fund Turfgrass Research!

To All Superintendents, Managers and Owners,

Turfgrass research needs your help today! As we all team-up to make golf better across New England, we hope to include your course on the list of foursome donors! All courses need to find a way to afford a foursome of golf for turfgrass research. The research benefits could help any and all clubs in and around New England, ...possibly even yours! Proceeds will go towards turfgrass research here in New England. The application is on the back side of this letter. Take a few minutes to review the newsletter, then get the ball rolling, secure a round and share with your course members what good things are being done for golf, research and the environment in New England.

Donate a foursome and we'll take care of the rest!

New England Regional Turfgrass Foundation & Alumni Turf Group

Tee-Up New England will:

Create Research Funding, Promote Golf,
Expand Golfer Involvement, Help Improve Course Conditions,
and Finally...Make Golf More Enjoyable for All!

5 Step Tee-Up New England Formula:

Donate a round of golf for 4 - We invite all New England Golf Facilities to participate!

Advertise to the Public - Our plan is to inform all New England golfers of the online auction!

Auction Online in April - Bidding begins the day after the Masters and continues for a week!

Fund Research—All proceeds will help to fund Turfgrass Research in New England!

Improve Golf! - Research could help to improve your club's turf conditions responsibly!
